Our goal at WE ARE THE ONES WE ARE WAITING FOR is to make the event accessible for as many people as possible. If you are only able to make it for part of the time, then please come for what you are able to, just let us know in writing if you need to arrive/leave early.

We are requesting a \$5 per person registration fee to cover costs at the event. If you are unable to pay this fee it will be waived.

Let us know if you need a travel grant if you are coming from far away.
